

CyberAdvantage

Axon Underwriting's CyberAdvantage has been developed to offer comprehensive, but flexible, cyber coverage and can include protection against:

- **Data breaches** – where personal or commercial information (electronic or otherwise) is accessed without authorization.
- **Security failure** – a hacker exploits weaknesses in your security systems, leaving your business exposed
- **Cyber attacks** – any digital attack against your business
- **Extortion** – criminals holding your systems or data to ransom or threatening to publish information
- **Human errors** – mistakes made by staff or suppliers that results in a data breach or system outage
- **Business interruption** – covering the loss of income that you may suffer from a cyber attack
- **Covering your liabilities** and the cost of defending regulatory investigations after any alleged breach of state or federal data protection legislation
- **Reputational damage** – includes PR and crisis management support, and covers lost income or customers
- **Financial crime and fraud** – the use of the internet to deceive employees, customers, or suppliers into transferring money or goods
